container for
Mashed Apples

Fraisbellon is a brand name containing the meaning
‘a cup of puree made of fresh fruit’

Offering Happiness. Offering Health.

At Fraisbellon, we believe that even a simple cup of fruit can bring both happiness and nourishment to everyday life.

Inspired by the goodness of apples, we create wholesome foods for babies discovering new tastes and for seniors seeking nutritious, easy-to-enjoy foods.

With fresh ingredients and thoughtful care, Fraisbellon is committed to bringing health, comfort, and everyday happiness to every generation.

**Fruits grown
in Korea**

It is made of fresh and
tasteful fruits grown in
clean regions of Jirisan Mt.

No additives

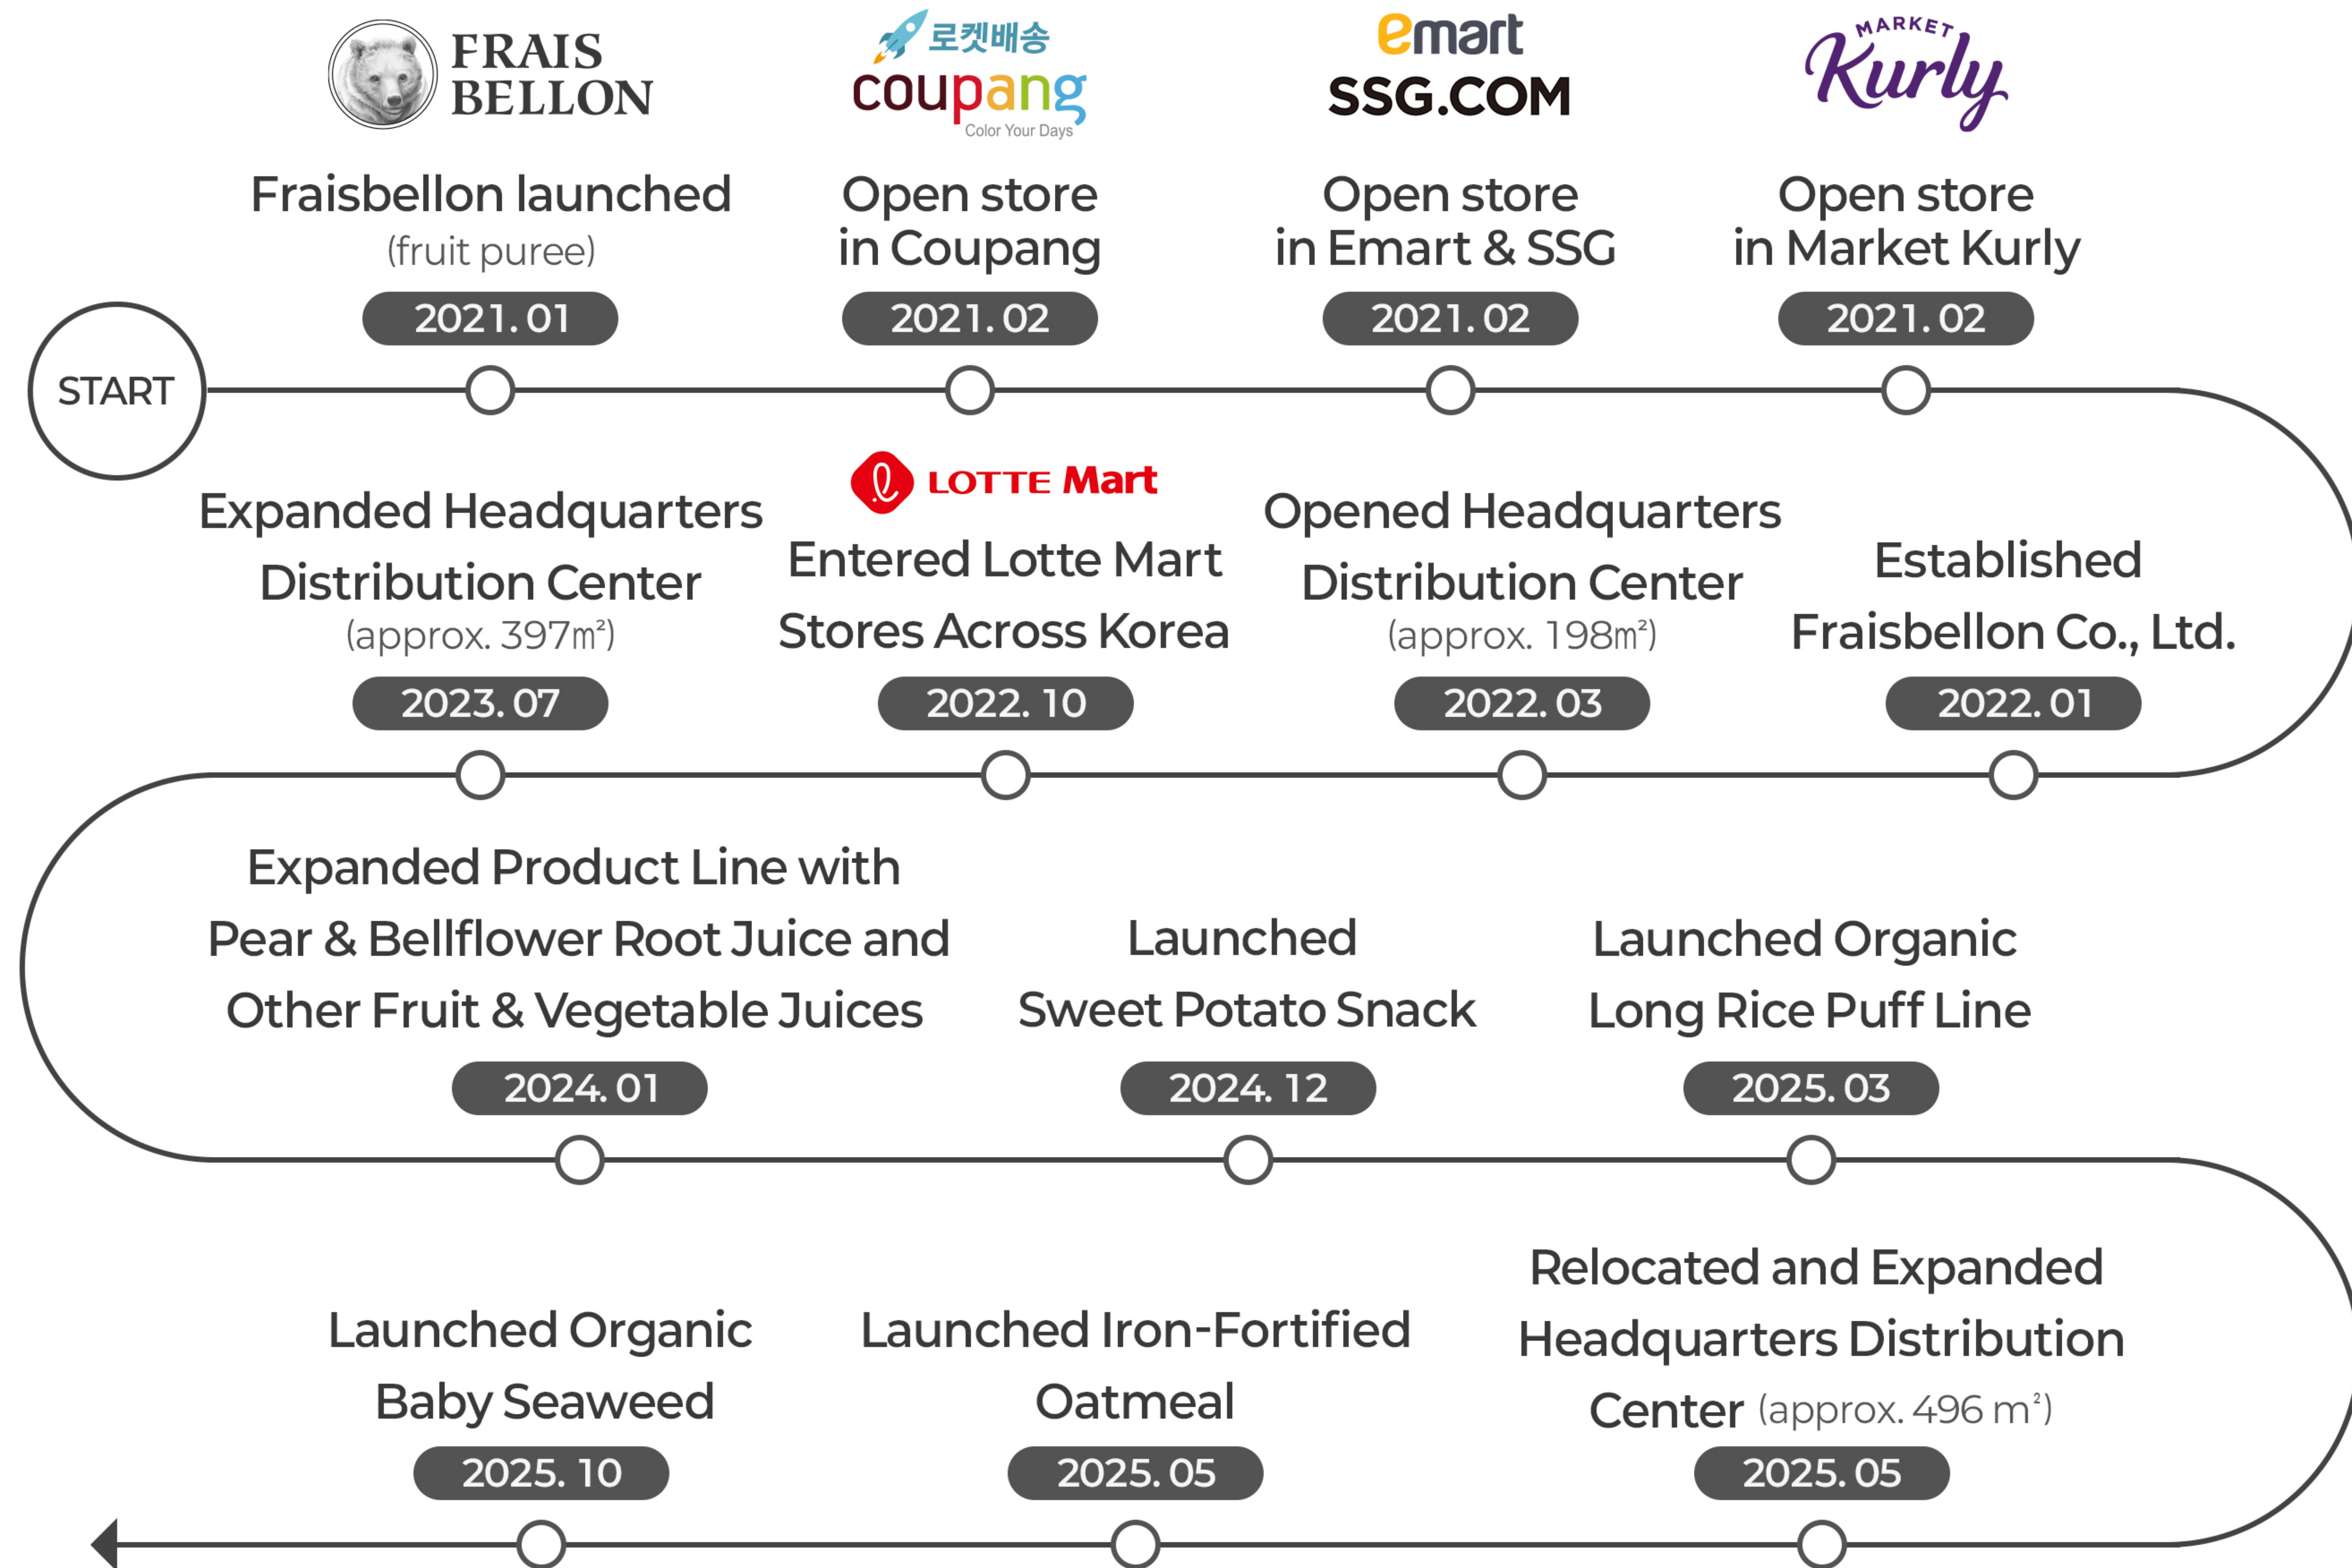

It is made by pureeing
100% fresh fruit without a drop
of water or additive included in
the product for your
health.

**FRAIS BELLON****HACCP**

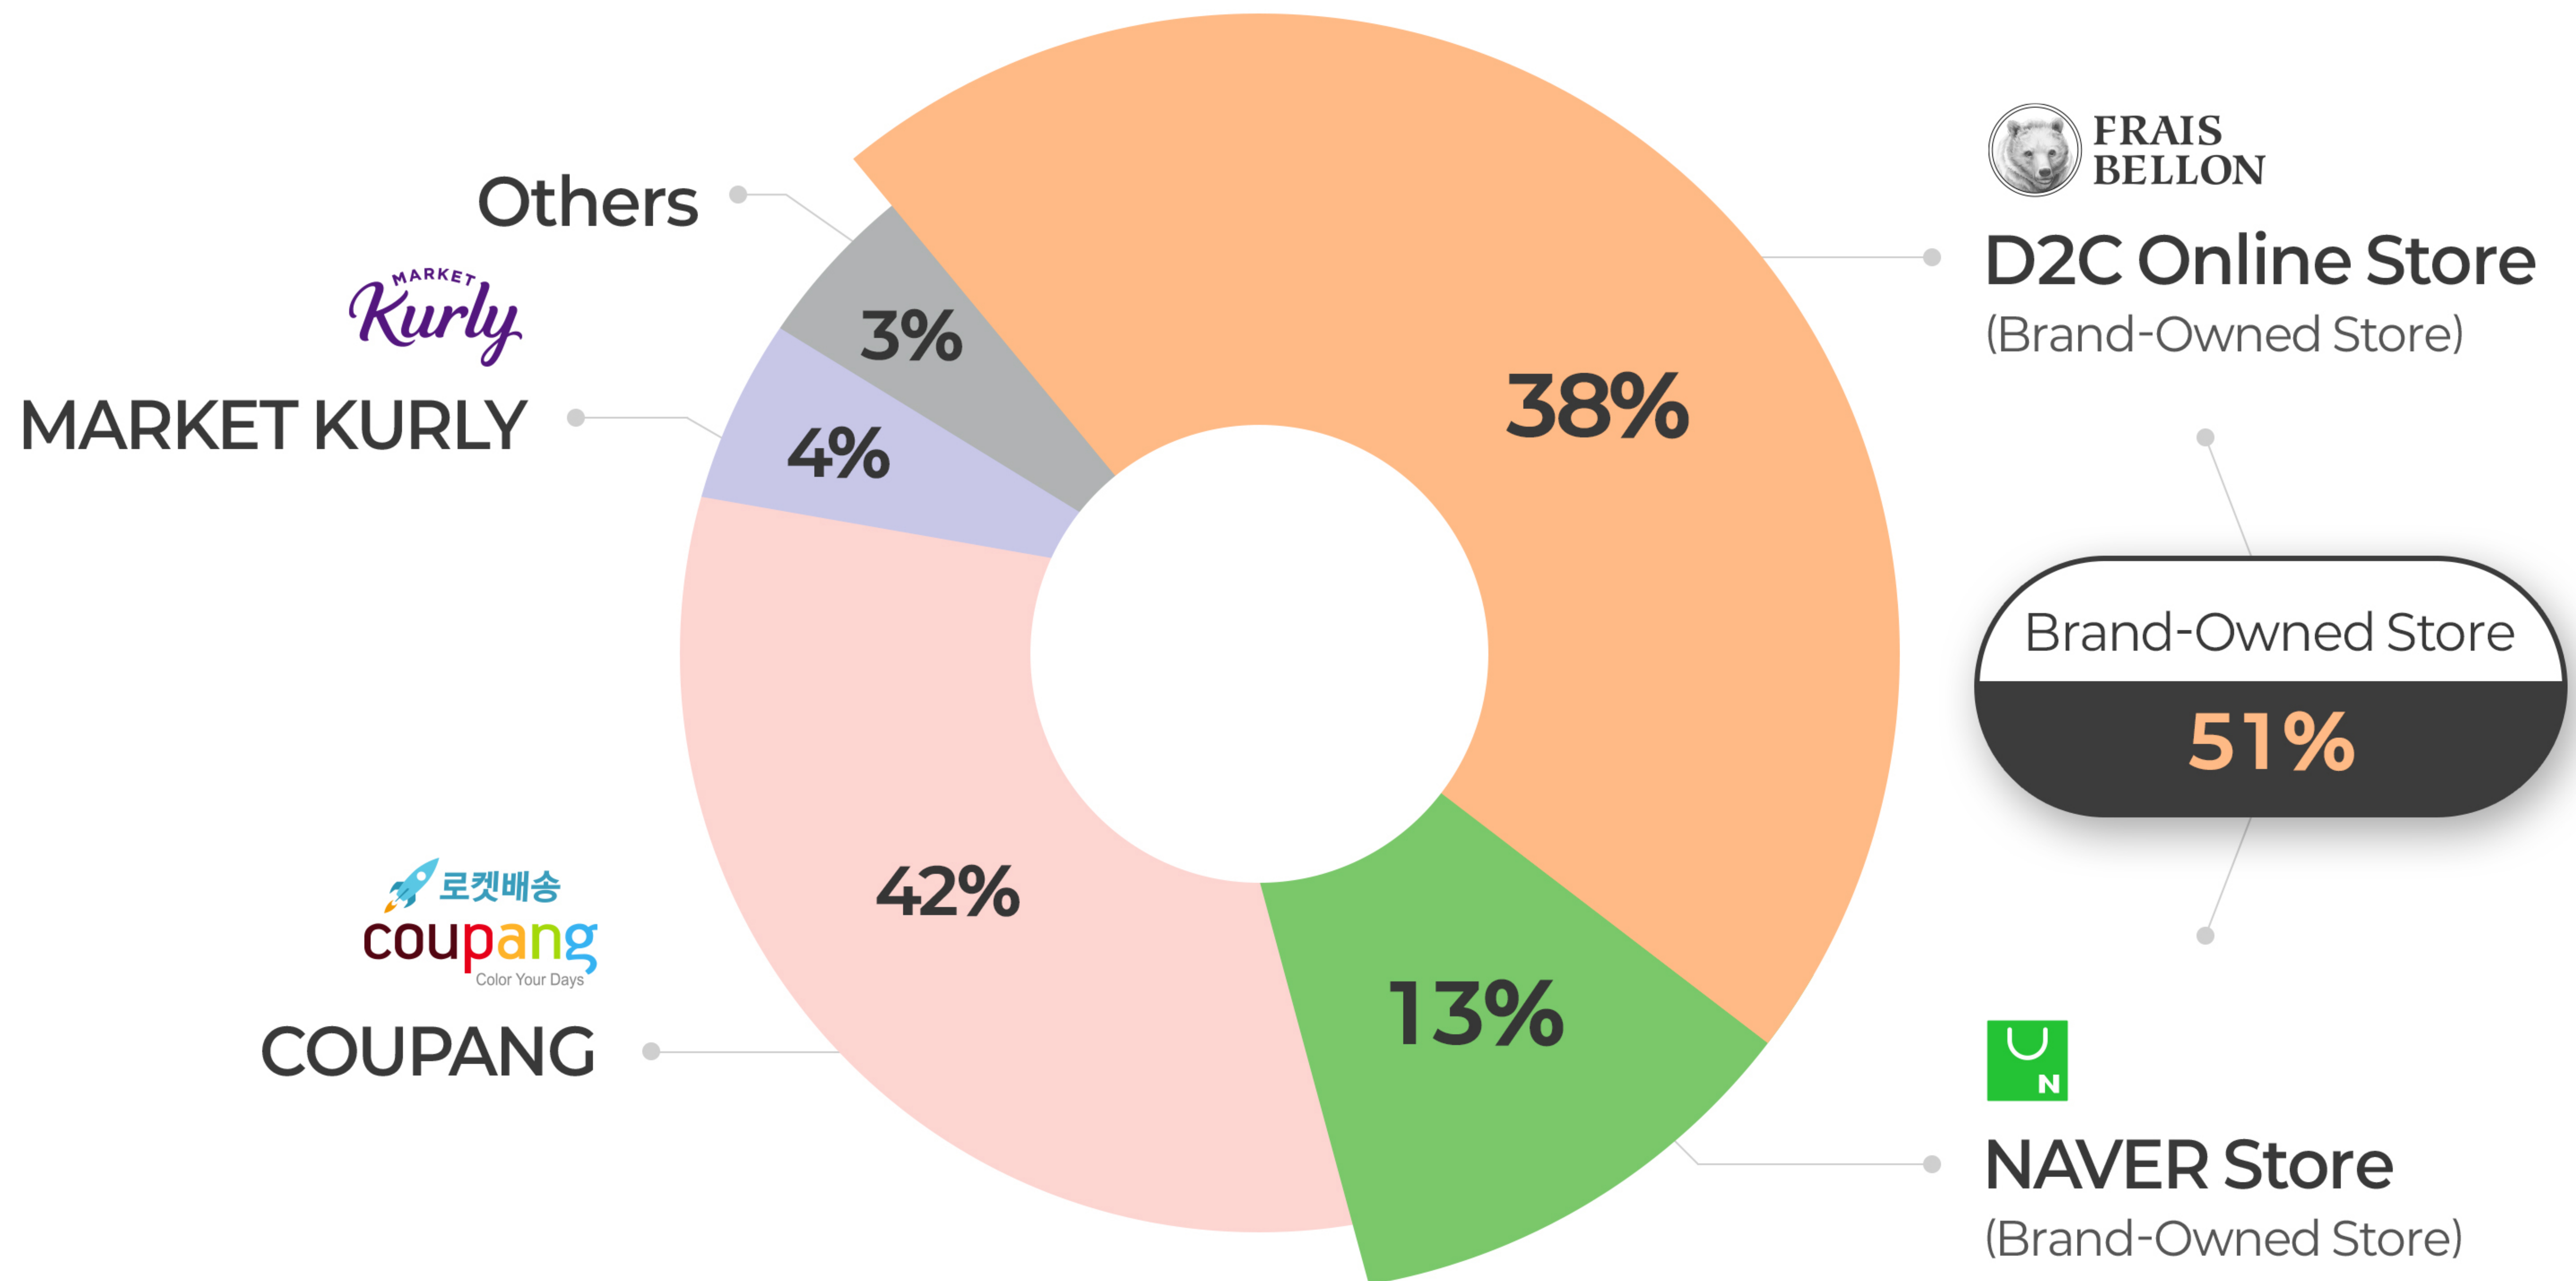

It is produced cleanly
and safety at
production facility that
acquired fastidious
HACCP certification of
Korea.

**Store for 1 year at
room temperature**

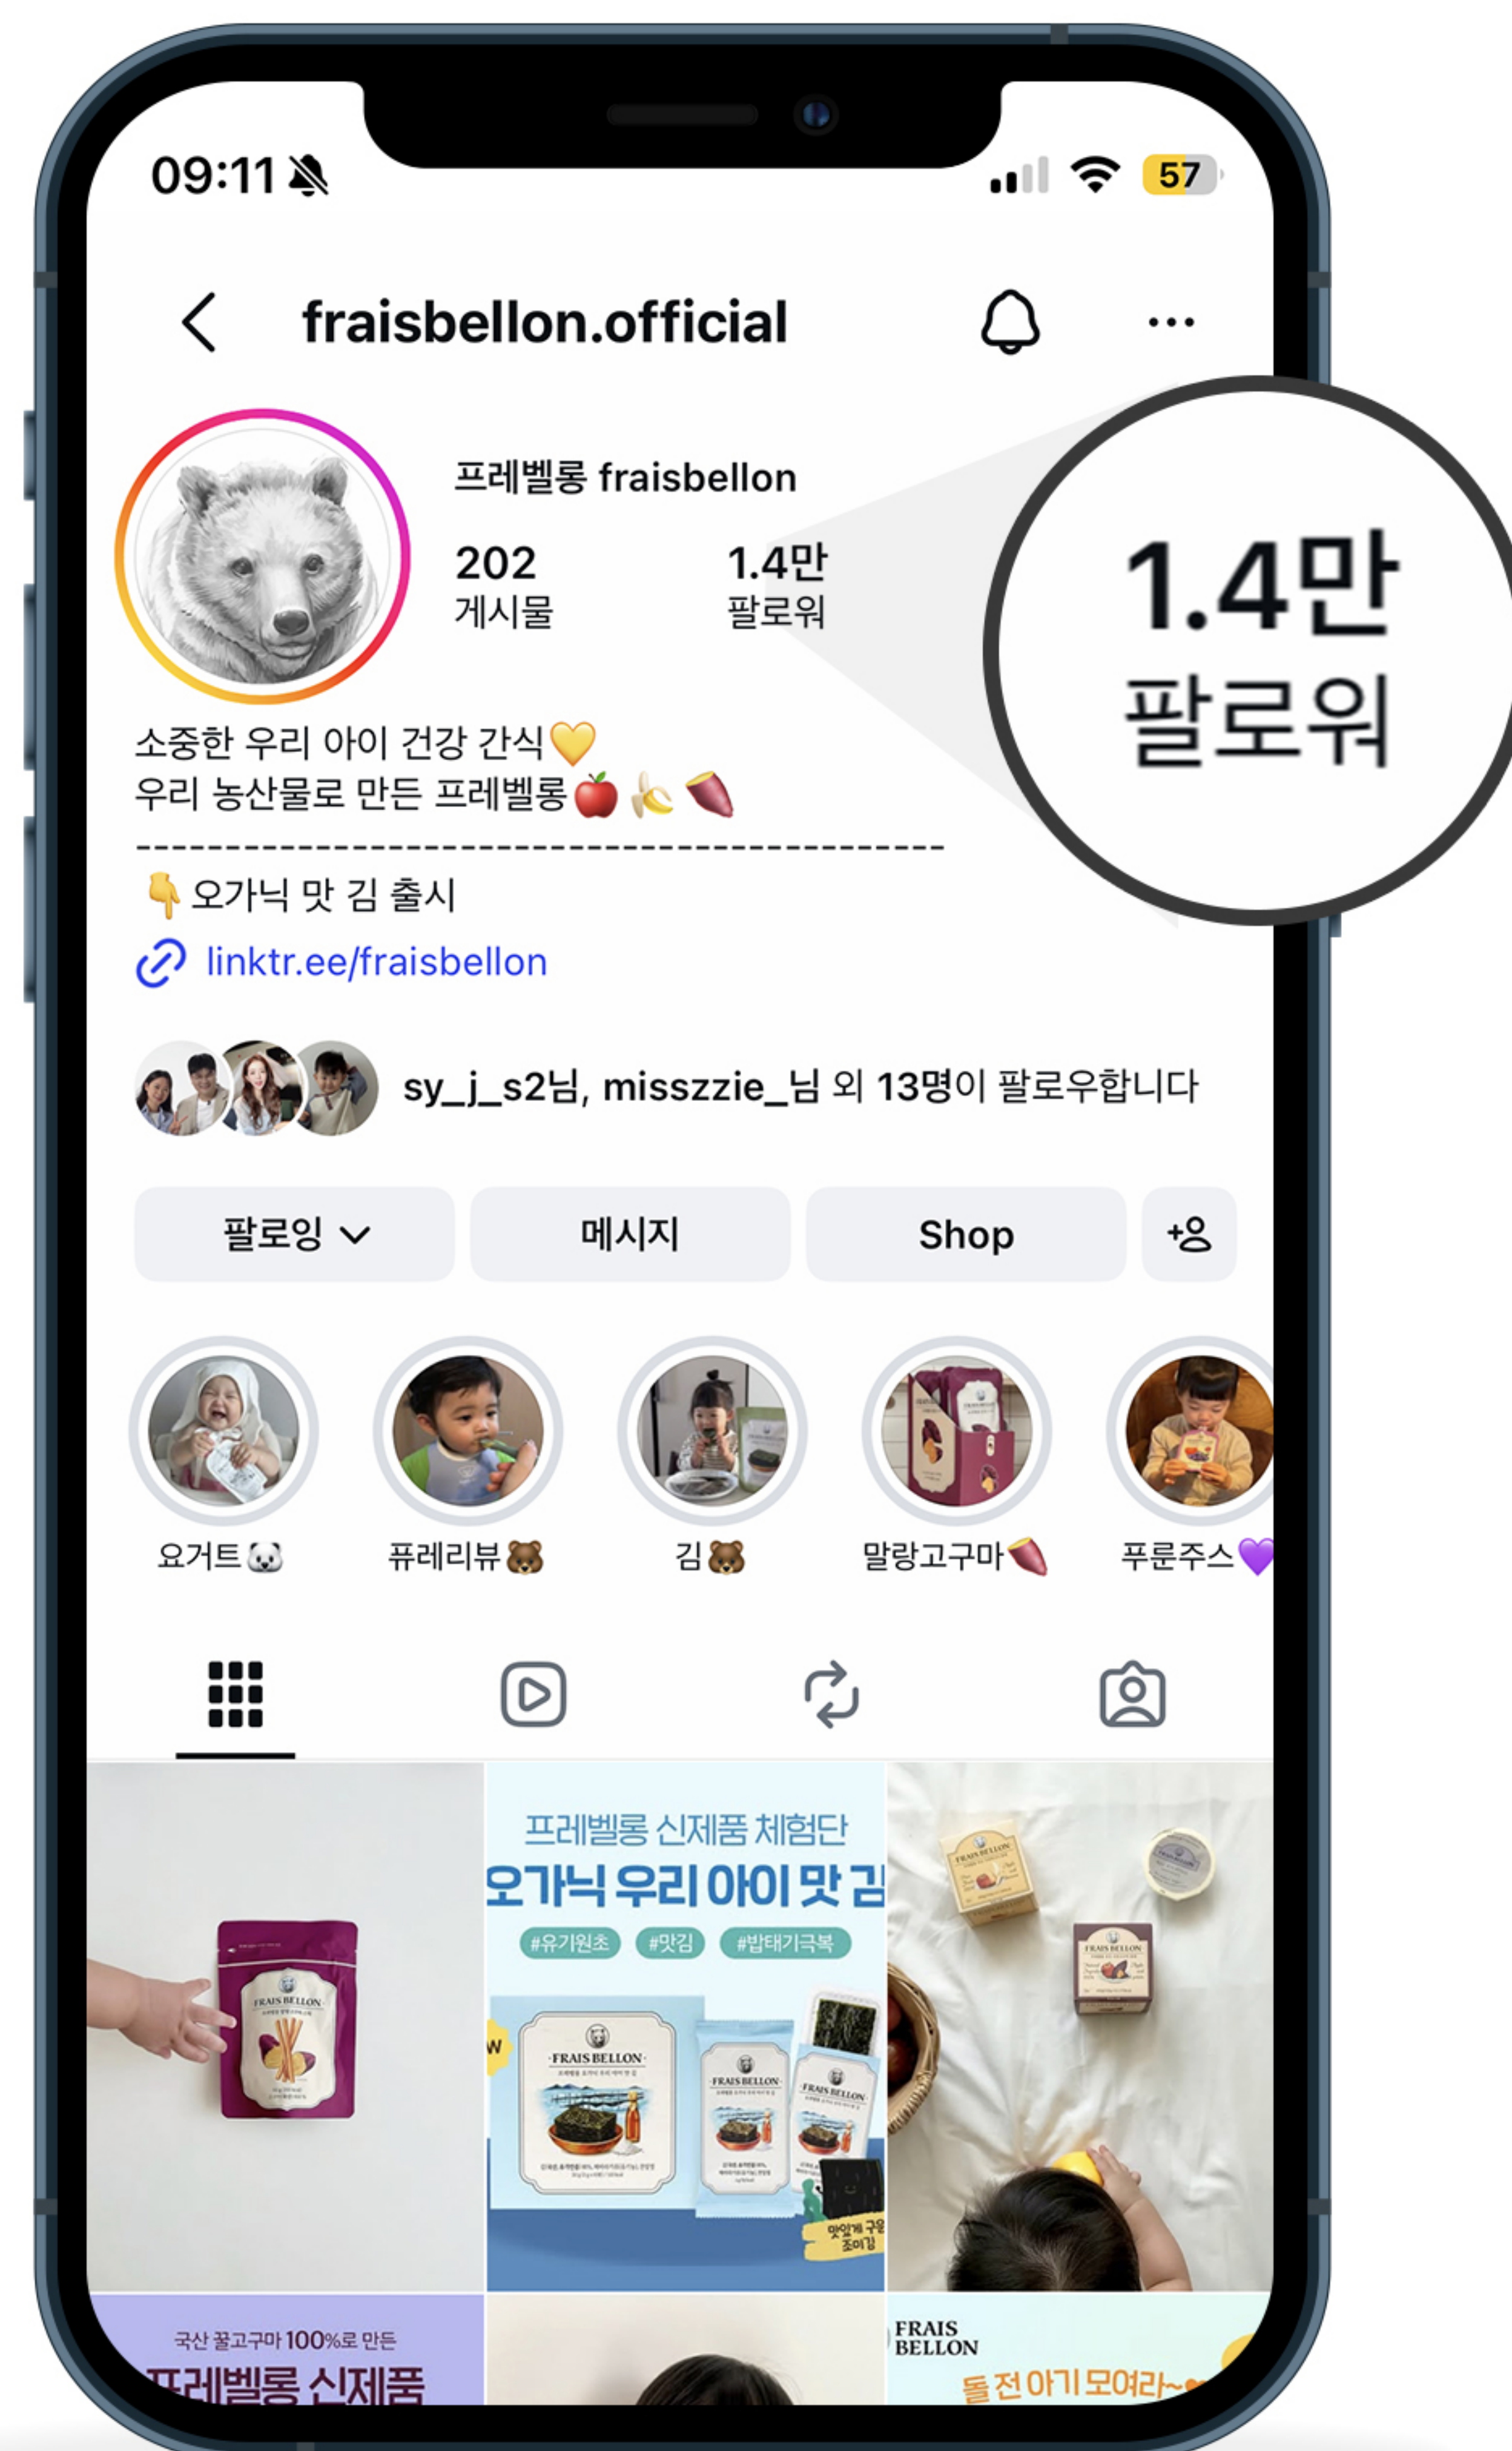

It can be stored for 1 year in room
temperature from the date of
production through
low-temperature sterilization
and special vacuum
packaging without the
use of additives.
